NECROLOGY REPORT
(REPORT OF THE GENERAL GRAND CHAPLAIN)
Jimmie L. Windham

To the Most Puissant General Grand Master, General Grand Council officers, distinguished guests, and companions.

Psalm 121 reads:

I will lift up mine eyes unto the hills, from whence cometh my help.

My help cometh from the Lord, which made heaven and earth.

He will not suffer thy foot to be moved: he that keepeth thee shall not slumber.

Behold, he that keepeth Israel shall neither slumber nor sleep.

The Lord is thy keeper: the Lord is thy shade upon thy right hand.

The sun shall not smite thee by day, nor the moon by night.

The Lord shall preserve thee from all evil: he shall preserve thy soul.

The Lord shall preserve thy going out, and thy coming in from this time forth, and even for evermore.

This psalm fits well against the backdrop of a pilgrimage for it is concerned with the uncertainties one faces on such a journey. It moves naturally from the need for help to the promise of God's protection. The psalmist is not looking to the hills as a source of help but as a source of threat or harm. Then he raises the question "from whence cometh my help?" And then he gives the answer, from God.

Today we mourn the loss of 94 of our companions who have faced the pilgrimage from this life to the next. When we think about them, we see them as fathers, brothers, sons, husbands, friends, and companions, but God sees them as his children. They have faced all the threats of life, but now God has given them protection in His loving hands. His call to them to "come home" is a great loss to us, but a great gain for them. His unbounded love for each of them has removed them from this world of sin, pain, and sorrow and has taken them to a place of peace, joy, and eternal happiness. We will miss them the remaining days of our lives, but we rest assured of a joyful reunion in the world to come.

The Masonic graveside service tells us to "cast around their foibles, whatever they may have been, the broad mantle of Masonic charity, nor withhold from their memory the commendation that their virtues claim at our hands." We each have fond memories of our companions who have passed away in the last three years. We know their foibles and their virtues and it behooves us to show great charity, for one day we will be in need of others charity. We

Forty-Third Triennial Assembly, Indianapolis IN

should remember them as we would want to be remembered when our names are listed in this necrology report. They have earned our love and respect. We should look back on them and remember the good that survives them.

Some of those who served this General Grand Council in different capacities were James H. Cockerham, a Past Deputy from Missouri, Roger L. Galusha, an Ambassador from Nebraska, Donald M. Keiser, General Grand Conductor of the Council from Oklahoma, and James E. Preston, an ambassador from Michigan.

One of our companions, that was called home, was Most Puissant Past General Grand Master Charles F. Van Etten and his eulogy will be given by Most Puissant Past Grand Master Orville Wesseler.

In Memoriam CHARLES F. VAN ETTEN

Charles F. Van Etten was born November 3, 1918 in Gowanda, NY and passed away Friday, August 17, 2007 in St. Joseph's, Buffalo, NY. Charles was self-employed in many fields which included farming, construction, grain handling and landscaping. He was predeceased by his first wife, Florence in April 1975 and also a daughter, Linda Van Etten and a brother, Clair. He is survived by his second wife, Betty, whom he married in 1983. Besides his wife of 24 years, he is survived by a son Allan, 8 grand children and nine great grand children

Besides his family and friends, Masonry was his great love. He started his search for Masonic Light in Phoenix Lodge #269, Gowanda, being a 64 year member serving as Master in 1951-1952 and was a life member.

In Capitular Masonry, he was exalted in Gowanda Chapter # 136 in May, 1944 and served as High Priest in 1950.

In Cryptic Masonry, he was greeted in Hamburg Council # 91 November, 1952. He was a Charter Member and served as Illustrious Master in 1963. He was elected and served as Most Illustrious Grand Master of New York in 1988-1989.

In the General Grand Council of Cryptic Masons International, he was appointed General Grand Marshal for the 1990-1993 Triennium. He was elected General Grand Principal Conductor of the Work in 1993 in Biloxi, MS and being regularly advanced through the line was elected and installed as Most Puissant General Grand Master in Wichita, KS on his 81st birthday, November 3, 1999

To meet Charles with his smile and hand shake, a statement attributed to the late Will Rogers comes to mind. "I never met a man I didn't like".

Another of our companions that was called home was Most Puissant Past General Grand Master Evan L. Fleming and his eulogy will be given by Companion Van Aubrey Evans.

In Memoriam
EVAN L. FLEMING, JR.

Evan L. Fleming, Jr. was born in Elbert County, Georgia, on December 30, 1922, the son of Evan L. Fleming, Sr. and Erah E. Pitts. He attended the public schools and graduated in 1940. In January 1941, he entered the R. G. LeTourneau Machinist School at Toccoa, Georgia. At the beginning of World War II, he was transferred to Vicksburg, Mississippi, to build a plant to produce 155 millimeter shells for the Armed Forces and earth moving equipment. He was employed by the LeTourneau Company for over 50 years, receiving one of only two 50 year anniversary pins that the company had ever presented, the other one going to Mr. R. G. LeTourneau himself, the founder of the company.

Evan married the former Carrie E. Clark of Pattison, Mississippi. They had two children, a son, Evan L. Fleming, III, who is married with two children and living at Ft. Smith, Arkansas, and a daughter, Jeri W. Hulgan, who is married with two children and living at Yellville, Arkansas.

Evan was a member of the Methodist Protestant Church and served several terms on the board of Stewards and the Board of Religious Education. He also served several years as Sunday School Superintendent for his church.

Evan joined the Masonic Lodge on October 18, 1945, and the York Rite bodies in 1946. He served as presiding officer of all his local bodies. He then served as Grand Master of the Grand Lodge of Mississippi, Grand High Priest of the Grand Chapter of Royal Arch Masons of Mississippi, Grand Master of the Grand Council of Royal and Select Masters of Mississippi, and Grand Commander of the Grand Commandery of Mississippi.

Forty-Third Triennial Assembly, Indianapolis IN

He was an active member of the Jackson Scottish Rite bodies and was honored with the designation of 33rd Degree. He was also a member of numerous appendant Masonic bodies and served as presiding officer over most of them. He served as Great Chief of Knight Masons of the United States.

He was elected General Grand Principal Conductor of the Work of the General Grand Council of Cryptic Masons International in 1984 and was elected Most Puissant General Grand Master of the General Grand Council in 1990.

Evan had a great love and dedication to Masonry and it is rare, indeed, to find anyone with more zeal and determination to further the cause of our craft. He made friends throughout the world. His smile, sparkling eyes and firm handshake made one feel welcome when meeting him and the stories he told are legendary. He, literally, could “walk with kings and not lose the common touch”.

Evan L. Fleming, Jr. died at his residence in Vicksburg, MS, on the morning of Tuesday, April 11, 2006. A Grand Lodge funeral was held at Wintergreen Cemetery in Port Gibson, MS.

Respectfully submitted,
Van Aubrey Evans

Companions please rise and join me in a moment of silent prayer for the companions we have lost during this triennial.

GENERAL GRAND OFFICER PRELIMINARY REPORTS

The following General Grand Officer Reports were printed in the Preliminary Reports and distributed at the time of registration. It was moved to receive these reports. The motion was seconded and approved.

REPORT OF THE
NORTHEAST REGIONAL DEPUTY
GENERAL GRAND MASTER
Raymond E. Hassell

It has been an honor and extreme pleasure to serve you and this General Grand Council in the Northeast Region for the 2005-2008 Triennium. I have attended all of the member Grand Councils, as well as the non-affiliated Grand Coun-

General Grand Council of Cryptic Masons, International

cils, and the two jurisdictions of Eastern Canada, at least one time. I have been present 2 or 3 times at most of the Northeast Grand Councils and have also attended any special events when requested to be there.

We have held 2 Regional Conferences with the third coming one week after the Triennial, because of the date change to August. Each Conference was full of information and programs from leadership to membership. I thank John Lewis, Northeast Deputy Commander and especially David Billings, the Northeast Regional Deputy for the General Grand Chapter, who partnered with me to present 2 great conferences. I'm sure the third one in Albany, NY, hosted by the Grand Encampment will be great as well.

I have started to see some very positive signs that Cryptic Masonry is alive and well in the Northeast. Several states reported very small losses or a gain of a few members. Masonry is blooming in the Blue Lodges with classes in the double digits and some one day classes with huge numbers of candidates. If we do our job correctly, many of them will join York Rite.

The highlight of my term was the opportunity to accompany Most Puissant General Grand Master Maurice "Bud" Himes to Brazil and be part of the team that presented those companions with a Charter and installed the officers. Through this experience, my friendship with the Latin American Deputy, Rui Da Silva has grown and we have become the best of friends.

I wish to express my thanks to Most Puissant Bud Himes for giving me the opportunity to serve both him and the General Grand Council and for the guidance and friendship extended to my wife, Lynn, and I by you and Glenda.

Sincerely and Fraternaly,
Raymond E Hassell
Regional Deputy General Grand Master, Northeast

REPORT OF THE
SOUTHEAST REGIONAL DEPUTY
GENERAL GRAND MASTER
S. Harold "Hal" Gregory

It is my privilege to submit the following report of my activities for the years 2005 – 2008.

During the past three years, I have traveled many miles throughout the region. I have attended the Grand Council sessions in each state at least one time and some states as many as three times. On every trip, I was welcomed with brotherly love and affection, and was shown true southern hospitality. I found that Cryptic Masonry was alive and well. Many states were discussing what they could to improve membership, donations to charity and ritual work. It appears that harmony and peace prevail in all the Grand Councils in the Southeast.

Forty-Third Triennial Assembly, Indianapolis IN

I would also like to thank the Grand Offices in each state for always offering help when called upon. Thanks to my traveling Companion, Johnnie Morris, for making the long rides enjoyable.

REPORT OF THE
EAST CENTRAL REGIONAL DEPUTY
GENERAL GRAND MASTER
Dick J. Carroll

Most Puissant General Grand Master, General Grand Officers, distinguished guests, ladies and companions all. It has been an honor and a memorable experience to have served as the East Central Regional Deputy General Grand Master. Where ever my Lady Kay and I traveled in or out of this jurisdiction, we were always warmly received and greeted with dignity in honor of the office we represented.

Our first Regional Conference was held on March 10– 11, 2006 at the Adams Mark Airport Hotel in Indianapolis, Indiana. The General Grand Council met in conjunction with Companion James Hodge, Deputy of the General Grand Chapter and Sir Knight Steve Barton, the Department Commander of the Grand Encampment. All of the Companions and Sir Knights of our Jurisdiction had a wonderful time and many ideas were shared by all in attendance. I would like to thank both of my counterparts for all their assistance in making sure our conference met the standards of our three Grand Bodies. The highlight of the Council was Dr. Mike, one of our Doctors deeply involved in the work of C.M.M.R.F. He gave a terrific presentation on his tenure as an Officer in the war in Iraq, as well as some good insight in the work that the University of Indiana is undertaking with C.M.M.R.F.

Our second Regional Conference was held on March 9 – 10, 2007 at Hilton Hotel in Fort Wayne, Indiana. Once again the General Grand Council met in conjunction with Companion James Hodge, Deputy of the General Grand Chapter and Sir Knight Frank Boner, the Department Commander of the Grand Encampment. Everyone in attendance went home with a renewed appreciation of our great York Rite.

Our Third Regional Conference was held on March 9 – 10, 2008 at the Chateau in Bloomington, Illinois. The Chapter and Council met together again, but the Commandery chose to meet back in Fort Wayne, Indiana. But none the less we had a terrific turnout of the Companions in our jurisdiction. We opened our session with a short play put on by the Chapter Companions from Ohio. Then a membership development play called Grand Master Hiram and the word put on by the Council Companions from Illinois. Both plays were received very

General Grand Council of Cryptic Masons, International

well by all those in attendance. After the opening, the two groups separated into different rooms to proceed to discuss their own problems and successes. In the evening we all had a wonderful meal and much fellowship. In that I was the host for this event, I must give all of its success to my lady Kay. She as usual outdid herself, and everything went very smoothly. I understand the ladies program was great and the hospitality room was to die for.

In conclusion, I'd like to thank Bud for the opportunity to have served with him. He has allowed me to be more involved in something I truly hold dear, Masonry. Again, thanks Bud.

Sincerely and Fraternally,
Dick J. Carroll

REPORT OF THE **NORTH CENTRAL REGIONAL DEPUTY** **GENERAL GRAND MASTER** **Barnes A. Sharitt, Jr.**

It has been my great honor and privilege to represent the General Grand Council of Cryptic Masons, International and MP Companion Maurice E. (Bud) Himes as the Regional Deputy General Grand Master for the North Central Region for the 2005-2008 Triennium. During this time I have visited all the Grand Councils in this jurisdiction and have conducted three regional conferences.

I wish to thank the constituent Grand Councils in this region for their hospitality and support during these three years. It has been my honor to have been at all the Grand Assemblies in this Region over the three years of this term. There has been substantial progress made in the Region, as summarized in the items listed below:

- Wisconsin and Iowa have formed new Councils during this Triennium.
- Minnesota has begun to meet jointly as a Grand York Rite. This provides an opportunity for more of our companions to participate as the demands on their time is decreased.
- Nebraska and South Dakota have begun aggressive efforts to revitalize York Rite masonry in their jurisdictions.
- North Dakota has illustrated how to attract and greet new Companions in a small urban and rural setting. They have shown that membership recruitment methods and techniques will work, if they are willing to be employed.
- Constituent Councils in each Grand Council report steady membership levels and for some, positive net growth. While this phenomenon is

Forty-Third Triennial Assembly, Indianapolis IN

not wide spread, it is increasing. The Companions in these councils are to be commended for their excellent effort. These Councils are to be encouraged as they build upon their successes.

- Wisconsin adopted a program to aggressively plan for future growth and to become financially stable. Some of the measures that they implemented are difficult. They realized the gravity of their situation and rose to the occasion, demonstrating a willingness to work together.
- Iowa has initiated an effort to meet the financial challenges facing them over the next five years.
- All the Grand Councils in the North Central Region have increased their support of the Cryptic Masons Medical Research Foundation in the three years of this Triennium. This has been accomplished by a continual, steady effort. I commend and thank each Grand Council for a job, well done.

The North Central York Rite Conferences have been successful in presenting programs that the companions have used in their respective Grand Councils and that increased their capability to deal with issues encountered in their home situations. Subjects addressed in the North Central York Rite Conferences under the sponsorship of the General Grand Council include:

- How to deal with 'problem' organizations and/or individuals.
- Identification and establishment of a quality program within Cryptic masonry. This subject addressed how to identify and establish long-range objectives, the key elements that impact growth, and how to maintain interest in an ongoing program.
- How to identify and preserve items of historical value.
- Early development of Masonry in the Dakota Territory.
- An overview of the development of religious freedom and its relationship to freemasonry.

The Grand Council attendance at the North Central York Rite Conference has been steadily increasing. The dais officers of the constituent Grand Councils have been well represented each year. In 2007 all the Illustrious Grand Masters and their dais officers of the six Grand Councils were in attendance. An excellent cooperative spirit has existed with North Central Deputy Grand High Priest William R. Kauten and with Department Commanders James N. Karnings and Jeffrey N. Nelson. It is pleasure to have worked with each of these illustrious companions and to have shared fellowship with them.

In closing, I would like to thank Most Puissant Companion Maurice C. (Bud) Himes for having appointed me to this position. It was an unanticipated honor and privilege; I trust that I have fulfilled his expectations and those of the companions of the North Central Region. The support of the companions of this Region and the General Grand Council officers during the home going of my

General Grand Council of Cryptic Masons, International
lady, Sandra, is an experience that I will treasure, and one for which I am deeply thankful. I have enjoyed the fellowship of MPC Bud and Glenda, and the General Grand Council officers during this past three years.

REPORT OF THE
NORTHWEST REGIONAL DEPUTY
GENERAL GRAND MASTER

Lawrence O. Weaver

To the Most Puissant General Grand Master, Officers and members of the General Grand Council Cryptic Masons International:

Most Puissant General Grand Master I thank you for the opportunity to have served as your Northwestern Regional Deputy. It has been an honor and privilege, and has provided Mary and I with many wonderful memories of the time we spent with you and Glenda.

Forty-Third Triennial Assembly, Indianapolis IN

The Regional Officer Orientation Training was of great value and your gift of a day planner and the added General Grand Council information was a valuable tool. Each time I have taken on a new leadership role I have found that there is a learning curve and our availability to answer my questions and give council made for an easy transition.

The Northwest Region consists of the Grand Councils of Alaska, Colorado, Idaho, Montana, Oregon, Washington, and Wyoming and is twice the size of any General Grand region. The largest membership is Colorado with close to 1200 and the smallest membership being Idaho with 400 plus. I'm pleased to report that in the past three years membership VS losses has had a positive change with losses decreasing and membership increasing in all Grand Bodies in the North West. There are many instances where Councils within a Grand Jurisdiction have had increases in membership. It is obvious that those councils that are pro-active in seeking membership and providing information about York Rite to Lodges are reaping the greatest rewards.

The membership area that needs the most work is the current membership. Most Council's have difficulty just getting 10% of their membership out to any function. They have become complacent and are not making an effort to communicate with their membership, or provide programs of interest that would get them out and then active.

The North West Region as a whole does ok in supporting Cryptic Masons Medical Research Foundation. There is a need to get the stay-at-home Companions informed and involved in giving. We are missing a tremendous opportunity to increase our giving; providing we take it beyond the Council Room. I must single out Colorado as an example to all of the NW Region as they do far the best job of rising funds for CMMRF.

I was able to visit all of the seven North West Regional Grand Council's at least once, most twice and three of them each year. I was privileged to be able to represent the MPGM in most of the North West Region as well as outside the Regional boundaries. In each and every case I was well received.

Most of the General Grand Officers have been a tremendous help to me and my sincere thanks goes out to them. A special thanks goes out to the General Grand Principle Conductor of the Work for his participation and help at the NW Regional Conferences, and those Regional Deputies who helped me while in their Region. During this Triennium I have visited twenty-nine Grand Jurisdictions and have made numerous friends. I look forward to visiting those remaining Grand Jurisdictions this coming Triennium.

In closing once again Most Puissant General Grand Master I thank you for having provided me an opportunity of a lifetime. It has been my honor and privilege to have served the General Grand Council as the North West Deputy General Grand Master during this forty-third triennium. I commend all the North West Regional Officers who served their Jurisdiction these past three years and

General Grand Council of Cryptic Masons, International

encourage them to continue to support those who are following. I did my best and pray that my efforts and work have been acceptable in the eyes of my Companions and my Lord

REPORT OF THE
LATIN AMERICAN REGIONAL DEPUTY
GENERAL GRAND MASTER
Rui Ferreira da Silva

During this last three years, I have been representing the General Grand Council in the Jurisdiction that I have been in Charge, at the installation of Brazilian Grand Council and Its Officers in a committee Commanded by The Most Pious General Grand Master Maurice " Bud " Himes, and several other Members of The General Grand Council, Intl. I have been also other four times in Brazil to follow the organization of several newly Created Councils, and for meeting for The Brazilian Grand Chapter of Royal Arch Masons.

I have visited many times several Cryptic Masonry Jurisdictions in The U.S.A. including Rhode Island, Massachusetts, New York, Connecticut, New Hampshire, as well as Grand Chapters at these Jurisdictions, and Commanderies, representing The General Grand Council, most of the times accompanying the General Grand Master and/or other Officers of The General Grand Council.

I have attended during these three years the Allied Degree's Conference in Washington DC.

I would like to emphasize that my visits to these Organizations in The USA Mentioned above, could only be achieved due to Assistance of The Regional Deputy Grand Master for Northeast Region my dearest Brother and Friend Raymond E Hassell, that with at lot of enthusiasm made for me, these opportunities to be easy to understand and to participate. I actually learned very much about the American York Rite thanks to Companion Raymond Hassell that certainly will be transferred to my Companions in Brazil.

I would like also to thank to Most Pious Maurice "Bud "Himes, for the honor and the opportunity of serving as an Officers at His Administration at The General Grand Council of Cryptic Masons, International, and for His Efforts to take the Cryptic Masonry to my Country, and also for his efforts to improve the York Rite in all aspects in Brazil.

REPORT OF THE EUROPEAN REGIONAL DEPUTY GENERAL GRAND MASTER Norman R. Draine

Representing the General Grand Council of Cryptic Masons International as the Regional Deputy General Master for Europe has for me been an honour and a privilege and one that I have enjoyed very much. I would like to take this opportunity to thank Most Puissant Companion Maurice C. 'Bud' Himes General Grand Master, for the confidence he showed in me by offering me this position, and making this opportunity possible during this last Triennium. I would also like to thank all of the Elected Grand Council Officers for their support and encouragement during this time.

During the past three years I have had the opportunity to represent General Grand Council in the following countries:

2006

Portugal	Grand Assembly	March 10 – 12
Germany	Grand Assembly	May 05 – 06
Romania	Grand Assembly	June 22 – 23

2007

Greece	Grand Assembly	March 2 - 3
Portugal	Grand Assembly	March 9 – 10
Italy	Grand Assembly	May 4 – 6
Germany	Grand Assembly	May 18 -19
Monaco		November 23 – 26

2008

Portugal	Grand Assembly	March 6 – 9
Greece	Grand Assembly	March 12 – 16
Germany	European Joint Conference	March 28 – 29
Germany	Grand Assembly	May 10
Italy	Grand Assembly	May 16 – 17

During my visits to the various countries in Europe I was accompanied by my wife Jean, and I would like to take this opportunity to thank her for her continued support. Every country we visited greeted us with exceptional fraternal friendship and we were warmly received by all we came into contact with. I was accorded every courtesy and recognition as the representative for Grand Council International and accorded great hospitality. We have made many new friends and strengthened existing friendships and had the opportunity to be with many fine Masons.

The European Grand Councils, even with their language and cultural differences are working well together, as they let nothing hinder their forward progress. I would like to thank all of the European Grand Councils for the kind-

General Grand Council of Cryptic Masons, International

ness, fraternal friendship and hospitality extended to my wife and myself during our visits.

The 28th & 29th March 2008 saw the first Joint European Conference in conjunction with the General Grand Chapter and I would like to thank my counterpart MEC Pandelis Mastromanolis, Regional DGGHP for his assistance with this conference. This Regional Joint Conference proved to be very popular and successful with the very welcome attendance of the Grand Officers of International and all of the Grand Chapters and Grand Councils affiliated to International within Europe. The first day was set aside for Grand Officers International presentations, the second day saw comments, speeches, and presentations from European delegates. The main topic of the second day was talk of some form of “European Grand Body International”, with many delegates expressing their views and ideas, occasionally very passionately! This was a subject that has given many of the delegate’s food for thought and a subject I am sure will be on any future agendas. The delegates voted to have a Regional Conference every three years and a European Conference each year between Regional Conferences, the location to be organised by a host country. It was decided that the 2009 European Conference would be held in Italy and the 2010 European Conference would be held in Austria, and the 2011 Joint Regional European Conference would be held in Romania.

The only problem that appears in Europe at the moment is one in Germany, since the elections in May 2008, the newly elected GHP/IGM has been suspended by the American Canadian Grand Lodge, and I have received a number of Communications questioning the integrity and validity of this election, the outcome still in question.

REPORT OF THE GENERAL GRAND CONDUCTOR OF THE COUNCIL

MacArthur Davis

It was indeed a great pleasure and honor to serve this General Grand Council of Cryptic Masons International, for this triennium in this office. To have been asked to serve by my friend and General Grand Master, Maurice C. "Bud" Himes was an honor within itself.

I attended all of the three sessions of the Alabama Grand Lodge, and the Alabama Grand York Rite. All the many courtesies were extended to myself and my wife Nancy and were appreciated. I also attended the Grand York Rite Session of South Carolina in 2007.

I was extended the honor to represent the General Grand Master in the Alabama Grand Council Session in 2005. This was indeed an honor to represent my Friend and Brother in our home court. During the Triennial I developed some health problems which prevented me being able to attend some of the activities that I had wanted to make, but I have since recovered and by the Grace of God, I look forward to many more years of service in our beloved York Rite.

And to my Friend and Brother, and our Most Puissant General Grand Master, Maurice C. "Bud" Himes and his lovely wife Glenda, for your love and concern during each phone call and E-mail, Nancy and I say "THANKS" many times over. Its folks like you that make our Fraternity great.

REPORT OF THE GENERAL GRAND MARSHAL

Donald A. Bennett

It has been a pleasure and great honor to serve the General Grand Council of Cryptic Masons International for the past three years as Grand Marshal. During my three years of service I have been present and received at two of the North Carolina Grand York Rite Meetings, missing one due to my work schedule. I have visited many Lodges and York Rite Bodies in South Carolina, Georgia,

General Grand Council of Cryptic Masons, International

Virginia, and North Carolina and was introduced and received with honors deserving a General Grand Council officer. I have taken part in six York Rite Degree festivals with conferrals of all the York Rite Degrees. I have used my office to the best of my ability to promote The York Rite of Freemasonry, particularly the Cryptic Rite in general.

My one regret is that job and time have prevented me from attending more meetings. I would like to thank Most Puissant Bud Himes for appointing me to this great honor and can only hope that my service has been acceptable to The Grand Master and the General Grand Council.

I remain at the service of the General Grand Council.

Respectfully Submitted,

General Grand Marshal

REPORT OF THE GENERAL GRAND STEWARD
Charles L. Hollinger

It has been an honor to have been appointed to serve the Most Puissant General Grand Master, Most Puissant Maurice C. “Bud” Himes during this 2005 through 2008 Triennial period. His guidance and council has rendered a wealth of information in the execution of duties while serving the office. I appreciate the kindness and thoughtfulness of those individuals who made my travels safe and provided accommodations for my stay in their respective jurisdictions: I was received with the utmost respect and dignity in all.

The jurisdictions visited in official capacity together with those Council’s, Conferences, Assemblies and ceremonies attended, I was greeted with cordiality, abundant courtesies and hospitality. Many new acquaintances were made during my travels and the camaraderie shared by Brothers abroad and stateside made the tenure a most rewarding experience.

Travel to South Dakota for the 2005 Triennial and the visitation to Mt. Rushmore, Crazy Horse monument and Deadwood began the three-year course of exciting Masonic events. Representing our General Grand Master, my first official visit was in my home state of Florida, at the 2006 Grand Assembly held in Cocoa, Florida. It was a privilege and humble honor to be received so cordially by my fellow constituents and M I Grand Master Donald T. Harriott. Later in the 2006 Cryptic year, I traveled to Rio de Janeiro, Brazil in November with Most Puissant Himes, the Northeast Regional District Deputy General Grand Master, Right Puissant Raymond E. Hassell and several other companions and their wives to set in motion another Grand Council. We were most cordially accommodated with Masonic escorts, translators, excellent food and outstanding camaraderie from our most gracious hosts. Right Puissant & Dr. Rui da

Silva, Regional District Deputy General Grand Master for Latin America is deserving of a hearty thanks for his coordination of the most dignified reception of General Grand officers and tenacity in the successful outcome of his labors. We were greeted and introduced to our hosts by the Prime Minister of Brazil at an assemblage of government officials and brethren. The highlight of our travel was the Constituting of the Grand Council of Brazil and subsequent installation of Grand officers. This was a monumental and historical event for his beautiful country and it was a true honor to have participated in such an auspicious occasion, with such a dedicated and unified gathering of gentlemen. Many new acquaintances and friendships were developed and the significance of the charter extended this well organized Grand jurisdiction will long remain a refreshing and fond memory. May the fine men and the excitement witnessed there, together with the country and its inhabitants as a whole, have the blessings of our creator.

In addition to attending Southern Regional meetings held in my home state 2008, together with those held in Macon, Georgia 2006 and Greenville, South Carolina 2007 our neighboring states, I was invited to speak at the 2007 Northeast Regional meeting held in Mystic, Connecticut. I spoke to my peers and fellow Connecticut Mason's (raised in Danbury, Ct. 1977) regarding the comparison of the similarities and difference's of content for the Regional meetings in respective jurisdictions.

Throughout my tenure as General Grand Steward, I attended Delaware's Grand Assemblies not only as a General Grand Council Representative, but also as a representative of Florida to Delaware, as appointed by the late MIPGM Frank Cochran. As a special honor and my final official act representing the General Grand Master Himes, I was given the privilege to represent him at the 2008 Grand Assembly of Delaware, with the Most Illustrious Grand Master, Richard L. Weaver presiding over he the Grand Assembly in Wilmington, DE. I was accorded outstanding hospitality and camaraderie from the fellow Companions of my home state of birth, received a most hearty welcome and was treated with Masonic respect. The courtesies extended to me by my fellow Delaware-an's of the "First State" was most appreciated.

I was honored to serve as Grand Installing Marshall for Most Illustrious Dencel R. Smith during the Constitution ceremonies of Notuma Council No. 45, in Naples, Florida, along with an officiating line of fellow MIPGM's assisting in the lifeblood of the Cryptic Mason's International – a new constituent Council.

I would like to thank M.P. "Bud" Himes for his confidence in me to serve and represent Cryptic Mason's International and allowing me the privilege to participate in the historical events under his leadership. The memorable experiences shared with so many truly devoted Cryptic Mason's, have left me with a better understanding of General Grand Councils' processes, with an apprecia-

ness for our fraternity.

REPORT OF THE GENERAL GRAND RECORDER

Ronald E. Fullerlove

I am pleased to present my report as your General Grand Recorder.

The General Grand Council now holds affiliation with 52 Grand Councils. During this Triennium we were happy to present Grand Charters to Brazil, and were most happy to issue Letters of Dispensation to form Councils in Puerto Rico and Togo in Africa.

We have had additional continuing inquiries from Mexico, Paraguay, and Guatemala..

Forty-Third Triennial Assembly, Indianapolis IN

At the end of 2002, our membership stood at 115, 079. At the end of 2005, our membership was 92,255. At the end of 2007 our membership stood a little over 91,000. It would appear that the tremendous loss of membership is slowing. Vermont has reported a gain of members this year, and several other jurisdictions have lost only a handful of members. Whether we are greeting more new members, or whether the losses by death, demit, or suspension have diminished, it is still a positive note for the leadership of our fraternity to build upon.

Membership and financial resources continue to be the two most important issues facing our fraternity. Every member here has a different opinion on membership attraction and retention. The one fact that we can be sure of is that our current membership is older, and plans must be executed to attract the younger member. We all know what has to be done.

We need to generate income from sources other than per capita dues and investments. We do not have enough members or capital to make this work. We need to seek out and approve other means of generating income for the General Grand Council and to assist our member Grand Councils. Your finance committee and I have had discussion on these matters, and will be working hard this next year to see if a program can be presented to you for consideration. Our membership and finance committees and officers will work together with the other Masonic Bodies. We all face the same issues..

Electronic communication has helped our effort, but it is difficult at times to overcome the differences in foreign customs and language. We are truly an international organization, and spreading the word of Cryptic Masonry throughout the globe is important. We are pleased to present Charters to Puerto Rico and Togo, and look for good things from them as well. We welcome them into our Cryptic Family.

I was pleased to have prepared the awards and Credentials for presentation at the Annual Assemblies of each our Jurisdictions. I am happy to report that nearly half of the Adult Youth Leadership awards have been presented to exceptional ladies working with our youth.

I have traveled to many of our Jurisdictional Annual Assemblies and Regional Conferences during this Triennium. The reception and hospitality has been great, and is truly appreciated.

The highlight of my travel was a trip I took with our General Grand Master, Bud Himes. We traveled to Puerto Rico to institute a new Council. Royal Arch Masonry has been active there for over fifty years, and now they have a Council working under dispensation. The real highlight is when Bud asked me to install the officers of this new Council, and to present the Paul Revere

General Grand Council of Cryptic Masons, International

Charges to them as new officers. Equally exciting was to attend a Masonic Wedding while we were there in which the Grand Master of Masons presided. Just when you think you have seen Masonry in its finest, a new window always appears in front of you.

The Cryptic Freemason magazine has not increased much at all in circulation. We continually look for ways to reduce the cost of the magazine, both in printing and in postage.

We have had three Companions volunteer to be the Editor of the Cryptic Freemason Magazine. Each of them, for personal reasons, has vacated the position. The magazine is currently under the watchful eye of George Sellars, our PCW, but he is certainly willing to turn this ongoing project to an interested Companion. Additionally, I appeal to all our Companions to bring him new and meaningful material.

My thanks go to Kenneth Chandler for his assistance in the financial matters of this Office. He was always there when I needed his counsel and advice. Previous to this Triennium, there were funds of money maintained separately by the Treasurer and the Recorder. At the time of this report, all of the Recorder Accounts have been closed, the funds cumulated with those of the Treasurer, and re-invested to receive a higher return.

It has been a pleasure and honor serving as your Recorder, and working with General Grand Master Bud Himes.

Our office stands ready to assist in any manner possible. I look forward to the challenges of the new Triennium. I look forward to working with our new General Grand Master and his officers, and to continue to be of service to the Craft.

Respectfully submitted,
Ronald E. Fullerlove

**REPORT OF THE GENERAL GRAND
PRINCIPAL CONDUCTOR OF THE WORK**

George C. Sellars

Today the General Grand Council can focus on what it does best...
... because we're focused on what is best for the membership.

"Delivering the Promise"
(With Progress comes Changes)

"The Difference"

(God grant me the serenity
to accept the things
I cannot change:
The courage to change
the things I can:
And the Wisdom to know
the difference"

Time to gather around the Triennial Assembly, even if you can't tell a Companion from a Grand Companion or better yet a Puissant Companion. We get a chance to rub elbows with those who gather to give direction to the General Grand Council and to report the achievements of the past thirty-six (36) months.

What a beginning to the Triennial! It's not every year that you get to undertake a new adventure that includes great people, interesting programs, new concepts and the ability to serve others. This as I see it, is a complete package. Thanks to you, it was possible to undertake this journey.

Here-in is a detailed report of the past three (3) years... First, this is a unique office to hold and to be a part of an exciting time for this organization. It is also the right time for change, "Real Change" for the Cryptic Rite. Initially it took a few months to get my feet wet. Perhaps you may have missed it. It takes time to settle in, receiving encouragement from your peers and feedback from the membership. The Most Puissant Companion Maurice C. 'Bud' Himes and Right Puissant Companion Joseph J. Vale have been supportive and encouraging the development of the defining programs for the Cryptic Rite. The assignments were extreme, even a little preposterous at times, but it made sense as an administrator to bring to you a unique view of the position of the Cryptic Rite as we analyze it. To comprehend where we must be in five (5) to twenty-five (25) years, an analysis of our history and financial obligations were initiated. We then examined the present situation and how it fits the new larger picture. Finally, we set out to give a new direction and vitality to a complacent Cryptic market. In order to create order to a confusing objective, an outline called, "A

Forty-Third Triennial Assembly, Indianapolis IN

"Proud Past, A Promising Future" was prepared as a handbook For the General Grand Council. This was the Vision Program to create the documents and programs for the decade. This was the formative mechanism to develop "what" we will be in the future, What does the 'Proud Past, A Promising Future' have to offer? Strategic Planning, Business Planning, Summary of G.G.C. officers responsibilities, Membership Programs, Resources and Calendar of Events or Timelines are the basic launching paths to a new horizon for the General Grand Council.

As we had observed it we needed to change, "Real Change" for a different future, that is, the right changes in our attitude and in our obsolete operating procedures and laws. This would give impetuous to reasonable actions on behalf of the membership and provide a more exciting and rewarding Cryptic Rite. What was the inertia or philosophy driving the planning stages?

The "Vision" to turn Brothers into York Rite Masons.

The "Resources" to make Masonic lives even better.

The "Courage" to lead the way.

The "Greatest Risk" is not taking one.

To make a "Difference", even in the face of great challenges.

For us "Success" is the only true measure of a Masonic adventure.

The results of the administrative analysis brought the first document called, "Delivering the Promise", a Strategic Plan of the General Grand Council, International. A five (5)page document to improve our performance, stimulate positive thinking, solving organizational problems and to influence, rather than to be influence. Developing a plan is a good way of doing business, creating the strategies for the next five (5) to Twenty-five (25) years and it helps the membership stay in focus to the business plan. Copies can be obtained through the General Grand Council's office or elected officers. Step one completed!!!

The planning stages, coupled with the first document resulted in the second step in the process. We then developed a "Mission" and "Vision" message for the organization. It has been written and made part of the proposed New Constitution. With the second step competed, we then prepared corporate and financial objectives. This was to stimulate our game plan and give substance to the strategic plan. The next step in the process of the organizational planning was to bring the business plan into practice and to review the laws pertaining to the objectives. A careful review of the "Present Constitution" resulted in determining that there was: a lack of major operating substance, job responsibilities, financial guidance, and together with the previous approved legislation, made it difficult to amend the present Constitution, Therefore, it was re-written and reorganized. What does this proposed "New Constitution" provide?

1. Corporation structure.
2. Operating procedures for the Corporation.

General Grand Council of Cryptic Masons, International

3. Corp. Board of Directors.
4. Mission and Vision Statements.
5. Aims & Purposes of the General Grand Council.
6. Job responsibility of *G.G.* officers
7. Life Membership section.
8. Endowment Fund for the Corporation.
9. Fee changes.
10. Per Capita changes.
11. Realignment of sections in the Present Constitution to the new

document,

We then developed a financial guide with seventy (70) recommendations or strategies to enhance our financial base. Some of which have been incorporated into the New Constitution or is slated for further development for the next triennial. The New Constitution has been in development stages for the past three (3) Years and had nine (9) major revisions the twelve (12) page document. It has been submitted on time for your review and adoption at this Triennial.

Between the administrative reorganizations, our travels took us all over the United States, including Canada, Europe & Africa. We can't think the people we met enough for their gracious hospitality. It has been a humbling experience in your jurisdictions: Alabama (twice), Arkansas (twice), California, District of Columbia Florida (twice), Germany (twice), Indiana (twice), Kansas, Louisiana, Maryland, Michigan (thrice), Minnesota (twice), Mississippi, Nebraska, New Hampshire, New Jersey, New Mexico, North Dakota, New York (twice), North Carolina, Oklahoma, Oregon, Washington, Wisconsin (twice), plus Ontario, Canada (twice), Ohio and Togo, Africa. All of those above and the Regional meetings as well, including the York Rite Sovereign College Annual Assemblies (thrice) and the Grand Encampment, Knights Templar Triennial Conclave in Texas. One hundred eighty one (181) separate activities, venturing over three hundred seventy three (373) days. Details are on file with the General Grand Recorder.

Countless miles, meeting great people and having fun in the process. It couldn't get better!!! All of this and helping to re-design the future for the Cryptic Rite for the membership. It's different. But so is Freemasonry today. Tomorrow will bring changes different than today.

Would you like to join the "Team"? Let George Know. He's looking for a few good men!!! This has to be exciting. It's a moment of exhilaration in Masonic time. It's a new day for the Cryptic Rite. Be a part of it. Tell your membership, "It's Council Time".

Thank you for the opportunity to serve in this capacity and shedding more light in Cryptic Masonry and preparing for a brighter future for General Grand Council, Cryptic Masons, International.

REPORT OF THE DEPUTY GENERAL GRAND MASTER

Joseph J. Vale

First, working with Bud, George, Ken and Ron, along with all the appointed officers, Regional Deputies, and Ambassadors has provided good experiences for me during this Triennium. Bud has had a wonderful group of appointed officers that have worked diligently for York Rite Masonry.

Since the first of October of 2005, I have traveled over 100,000 miles for Masonic activities, criss-crossing the US and enjoying every minute of my travels.

Also, I have flown three times for Masonic events - all in 2007. First, was to ALASKA, last in February to their Grand York Rite Session in Anchorage (traveled part of the way with Charlie & Betty Van Etten - so glad we got to have that time together on the plane, at airport, and during the session, where we were treated to a fine time). Next, Genie and I flew, at our expense, to Germany to attend their Council/Chapter session to celebrate their 50th anniversary of York Rite Masonry. We were able to have time with George and Brenda Sellars, as well as 'Smokey' and Bobbi Ferguson while in Frankfurt. Next trip was in November to Togo, Africa, which was paid for by the African Bodies. We traveled to institute new Councils there. What a trip that was, being with Bud, George, and Ken!

I have attended numerous York Rite Grand Sessions, Conventions and Assemblies, Regional Conferences, CMMRF Board Meetings and Planning Meetings, and my local Blue Lodge and my local York Rite, as often as I can. Also, I try to get to my other local appendant bodies and related Masonic groups, as doing so keeps me grounded in what is basic to our fraternity. And I have had to work in some time for family, holiday gatherings and birthday parties.

Everywhere I have gone during this triennium - the past 34 1/2 months, I would like to return again someday, as the people at each place have made Genie and me feel welcome. We truly were delighted to be a part of their group, participate in their activities, and visit with all, as we learned about their area and the way they do things.

Installing officers has been another pleasing part of my duties at Grand Sessions. I have also been able to do installation of officers at my own York Rite

General Grand Council of Cryptic Masons, International

Bodies and Grotto group. Being able to participate in our degrees in my Blue Lodge and the York Rite Festivals are basic to my Masonic works too.

During this triennium, I have attended many Masonic funerals. Our brothers are now pain free in a better place and receiving their deserved rest. Each and every funeral has been different and we do have so many brothers who do an excellent job at these funerals. The words and their actions are a real eye opener to non-Masons.

Of course, working on the CMMRF Collectible Coin has been a major project of mine, since June of 2003. We are in the final stages of collecting all funds for the 7500 coins that were purchased in 2003. I want to thank all that have purchased the coin, all that have assisted in selling, and all that will be purchasing, as you are all aiding a very worthwhile project: assisting in funding our main charity - the Cryptic Masons Medical Research Foundation and the wonderful advances the group at Indiana Center for Vascular Biology & Medicine are accomplishing for Cardiovascular Diseases. As of today, July 22, 2008, we have collected \$66,190.00, and I anticipate the balance to be paid in full by September 30th.

For the past year, we have been involved in planning for the next three years. Working with current officers and potential appointees, we have had meetings to explore ideas for the future.

Thank you for your acts of kindnesses as my wife Genie and I have traveled. We are pleased to represent you and this office, to which I was elected in October of 2005. I do thank you for all of your support and assistance in the past years. You are all welcome to contact me at any time, as I am always pleased to receive comments, ideas, and suggestions. Together we can accomplish much.

Finally, I trust that I am representing each of you to the best of my ability as I travel as an Officer of the General Grand Council Cryptic Masons International. And we look forward to continue working with you and for you the next three years.

In closing, always remember to *take a brother by the hand*.

Submitted,
Joseph J. Vale

This concludes the approved Preliminary Reports.

M.P.C. Bud Himes welcomed everyone to the 43rd Triennial Assembly of the General Grand Council of Cryptic Masons, International. He, then, proceeded

Forty-Third Triennial Assembly, Indianapolis IN

to deliver his Triennial Report and address of Service to the Craft for 2005-2008.

REPORT OF THE GENERAL GRAND MASTER **MAURICE C. "BUD" HIMES**

My Companions, what an incredible journey the past twelve years have been. Let me thank you for that opportunity. Over that time, I have had the chance to travel to so many different places, and make friends I would not otherwise have had an opportunity to meet.

My wife and I have remarked many times that neither of us ever expected to find ourselves in some of the exotic places, enjoying very different cultures and customs, and seeing things we had only read about in books or seen in movies or television.

I wish to break with usual custom here and express my heart-felt thanks to my wife Glenda. I know this is usually done at the end, but her support and advice deserves more than an afterthought of recognition. Through all this, she has been my navigator, advisor and proofreader. She is the one who encourages and remotivates me when I am frustrated and discouraged, and my cheerleader and giver of praise when I do something right. We have been through so many difficult times, such as the flu in Greece, Heathrow Airport, bad weather and bad food. Through it all she has kept her balance and therefore mine. I absolutely would have not been able to accomplish anything without her support, even when she thought I was wrong. All of the gifts in the world would not be enough, so all I can offer her is my love and hope it will suffice.

I realize that I have made some of you angry, and many of you have disagreed with me over something I have done or said. I can only apologize, try to assure you I took your point of view seriously, and then felt I had to do whatever was best for the General Ground Council even at the risk of the loss of your friendship or good esteem. Perhaps now that this time in office is over, we can reconcile our differences and see who can best work and best agree.

At the same time, I have been constantly encouraged by the many of you who offered me encouragement and good advice when I needed it, which was almost constantly. There are so many decisions to be made in this office of General Grand Master, and none of us possesses the wisdom to know all the answers to them.

My thanks to the many of you who took on some thankless task whenever I asked it of you and gave selflessly of your time and efforts on our behalf. I wish I had time to thank you individually.

General Grand Council of Cryptic Masons, International

I certainly didn't accomplish all that I wanted. But I also accomplished more than I thought I would. I probably spent more time, worry, and sleepless nights over the magazine than any single item during this past three years. We found one editor, whom we thought was going to do a terrific job, but as it turned out, we had a far different philosophy and goals for the magazine. In the end, we just could not afford the vision he had for it.

His successor, almost immediately after taking on the task, had an unfortunate series of personal setbacks and upheavals, and asked to be relieved of the responsibility as editor until he could regain his footing. Rather than ask him to risk his health and welfare and that of his family, I agreed to release him from that responsibility.

The last two issues have been put together by the Officers of the General Grand Council, compiled and made ready for print at the direction of the General Grand Principal Conductor of the Work, George Sellars, and printed and mailed by the General Grand Recorder and his family members.

This may work for one or even two issues, but it cannot continue. We seriously need an editor who can handle these tasks and relieve those officers of the additional responsibilities. I sincerely thank them for taking on the added work, and it is certainly one of the thankless tasks I mentioned earlier.

I am intensely proud of the distance the Cryptic Masons Medical Research Foundation has come. . Each year, other, the contributions increase at a tremendous rate, and have not stopped. We now are at the point in our relationship with the School and Research Center that was almost beyond my wildest dreams.

I'm not taking the credit for that. It's entirely your contributions and interest that have made this happen. All I have done is gather information and try to get it to you in a language you can understand.

I have received some criticism from some of you for my extensive travels to foreign countries. Let me assure you those visits were not pleasure trips. I did not make one of them unless it was to further Cryptic Masonry and the General Grand Council. Many of those jurisdictions had for many years felt neglected and unrecognized. That has changed, and they now feel they are fully a partner and contributor to Cryptic Masonry throughout the world. I have been able to convince them that the General Grand Council was as interested in them as they were in us, which is as it should be.

You must understand that the attraction of the American System of York Rite, as it is known throughout the world, is that eventually, if the Companions so desire and are willing to put forth the effort, they become independent and self-governing.

Forty-Third Triennial Assembly, Indianapolis IN

This concept is something new and exciting to them because many of them have not had any form of self determination in any aspect of their lives for more than seventy years. We must continue to assist them with this journey to independence, especially in Eastern Europe, the Middle East, and Africa.

The very survival of Cryptic Masonry may well be in their hands, not ours. They are a large part of our future, we here in the United States are the rock to which they want to anchor, but they are working much harder at it than we are.

I am sorry to have to go, but I know I leave the General Grand Council in good hands. All I can offer to those who continue where we left off is encouragement and good luck. It takes a lot of both.

It's time to get out of the way. I hope I've done my best by all of you, and if not, it was not for lack of effort. I'll do my best to see as many of you as I can over the next years, God willing and the Creeks don't rise.

M.P.C. Himes moved that the report be accepted and spread upon the minutes. The motion was seconded and approved. M.P.C. Himes received a hearty round of applause from those in attendance.

M.P.C. Himes then announced his intention to have the election of officers and trustees at 11:00 A.M. and the Board of Trustees would meet over lunch for their business meeting.

M.I.C. Robert E. Burselson, Chairman of the Jurisprudence Committee, made the first report of the committee.

FIRST REPORT OF THE JURISPRUDENCE COMMITTEE

To the Most Puissant General Grand Master, Officers, and Members of the General Grand Council of Cryptic Masons, International:

This is the first part of the Report of the Jurisprudence Committee.

1. The Life Membership issue and decision by the M.P.G.G.M exceeded his authority. MIC Burselson moved the adoption of this portion of the report. The motion was regularly seconded and approved and ordered adopted!

General Grand Council of Cryptic Masons, International

2. The New Constitution was sent out in a timely manner and was in proper form with exception of the omission of the Life Membership provisions which was adopted and approved at the last Triennial. MIC Burleson moved the adoption of this portion. Two MIC from Michigan objected and discussion ensued during which time MIC Burleson explained why the section was improper. He further explained if the provision was submitted it would be improper because it was not included in the proper section of the Old Constitution. He then explained where it properly belonged in the New Constitution which he then moved the inclusion of this provision in its proper location. The motion was seconded and discussed. Discussion occurred as to whether or not the motion would be unconstitutional because the Resolution was not proposed and submitted to the Grand Council and Constituent Councils as required in the Constitution within the proper timeframes. The motion was withdrawn! A Motion to consider the Jurisprudence Committee's report be now accepted was regularly seconded and upon the vote failed. The constitution will be considered line by line.
3. The balance of the Resolutions, were received in a timely manner and are in proper format to be addressed at the Triennial. MIC Burleson moved adoption of this portion of the report. It was regularly seconded and approved.

MIC Burleson moved the acceptance of this report on behalf of the committee. It was seconded and accepted.

Afternoon Session

MINUTES OF THE BOARD MEETING OF THE CRYPTIC MASONS MEDICAL RESEARCH FOUNDATION **MARION K. CRUM, EXECUTIVE SECRETARY**

The meeting was called to order at 12:05 P.M.

Board Members present:

Joseph Vale, G.G. Master (NC),	President
George Sellars, D.G.G.M. (MI),	V. President
Larry Weaver, G.G. PCW (OR),	Director
Kenneth Chandler, G.G. Treas. (MI),	Director
David A. Grindle, G.G. Rec., (ID),	Director
Dalvin Hollaway, PGGM, (OR),	Director

General Grand Council of Cryptic Masons, International

Perry Anderson, PGGM, (SD),	Director
Douglas Fegenbush, PGIM, (IN),	Director
Paul Friend, PGIM, (FL),	Director
Gerald L. Ogle, PRDGGM, (NV),	Director

The first order of business was to re-elect Companion Marion K. Crum, PGIM, (IN), as the Executive Secretary.

Douglas Fegenbush & Paul Friend were re-elected Directors at Large. Gerald Ogle was elected as the third Director at Large.

Larry Weaver & David Grindle are new Directors by virtue of their Offices in the General Grand Council.

Marion shared with the Directors that the Lawyer handling the C. Herbert Grauling Estate in Baltimore County, Maryland had sent us a Fourth (Not Final) Administration Account. The Account stated that the total amount in estate to be retained for fifth accounting is \$1,903,513.32. There was nothing else to report at this time. The estate is still attempting to sell the real property. Some think that we should hire an attorney to demand/get a copy of the filing with the probate court which describes the exact worth/value and distribution of the estate. If we do not receive an accurate accounting and partial distribution before October. This report is required to be filed annually with the court and we should be getting a copy of that report. I was advised to wait until Oct 1, 2008 for distribution to appear before taking any action, should a partial distribution not be made at that time.

The budget as passed at the February Board meeting is to be carried over to the February 2009 meeting in Washington DC.

We will continue the pledge of giving \$200,000.00 per year to the I.U. School of Medicine or every dollar that is donated by individuals; whichever is more until the Board of Directors decide something different. If we received requests for matching funds that exceed the two hundred thousand, we will honor those requests, providing they are \$10,000.00 or more.

Joe Vale is working on a sculpture as a fund raiser for this triennium. The proceeds of those sales will be divided three (3) ways between CMMRF, George Washington Masonic Memorial and the GG Council Endowment Corporation. The distribution details are to be worked out later.

Fraternally submitted,
Marion K. Crum

Approved: Joseph Vale, President.

M.I.C. Crum's report was accepted and M.P.C. Himes thanked him for his dedication and service.

SECOND REPORT OF THE **JURISPRUDENCE COMMITTEE** **ROBERT E. BURLESON**

To the Most Puissant General Grand Master, Officers, and Members of the General Grand Council of Cryptic Masons, International:

This is the second Report of the Jurisprudence Committee on the Resolutions for consideration at this Triennial Assembly.

1. The first resolution of the new Constitution was found not to be in proper form due to several omissions, particularly the Life Membership section. Therefore, according to the present Constitution it necessitates the new Constitution to layover until corrections are completed and the membership is properly informed. RPC George C. Sellars, General Grand P.C. W., author of the Resolution, moved to Withdraw the Resolution from consideration at this Triennial. The motion was seconded, much discussion followed and the motion to Withdraw was approved.
2. The second Resolution on Life Membership was withdrawn, because of omissions and was not in proper form with the present Constitution. R.P.C. Kenneth D. Chandler, General Grand Treasurer, moved for the Withdrawal. The Withdrawal motion was seconded and was approved.
3. The third Resolution was found to be in proper form for consideration by the membership on Per Capita increases from \$.35 to \$1.00 and \$1.50 for overseas Jurisdictions. Following considerable debate an amendment was offered by MIC Anthony Chamberlain, MIGM of MI, to increase the amount to \$2.00 to the membership and \$2.50 for overseas Jurisdictions. The amendment was seconded, discussed and then defeated. Upon calling the question on the original Resolution as amended and corrected was called for from the floor and was approved to increase the Per Capita to \$1.00 and \$1.50 for overseas Jurisdictions.
4. An August 2005 Resolution on Life Membership was read and an amendment offered as follows:
 - a) The General Grand Council Recorder shall authorize to make available a Life Membership Certificate to all Cryptic Masons or Royal and Select Masters upon proper application and certification of the Grand Recorder of the Jurisdiction of which the Companion is a member. Such Certificate shall contain the Signature of the Most Puissant General Grand Master and the Right Puissant General Grand Recorder.

General Grand Council of Cryptic Masons, International

- b) All Membership records necessary to authenticate such membership shall be maintained by the individual Grand Recorder in each respective Constituent Jurisdiction.
- c) The individual Grand Council shall establish the amount necessary to purchase such membership in their jurisdiction.
- d) Any individual Cryptic Mason or Royal and Select Master in good standing, may purchase a prepaid life membership by paying to the Grand Recorder in his jurisdiction, the amount equal to that established for a prepaid life membership in his jurisdiction.
- e) All funds paid by an individual member shall be maintained by the Grand Council of the jurisdiction in which the Companion is a member. The annual dues or per capita collected or assessed shall be the amount as identified in Article X Section 3 of the Constitution. Submitted by: M.P.C. Maurice C. "Bud" Himes; R.P.C. Joe Vale; R.P.C. George C. Sellars; R.P.C. Kenneth D. Chandler; and R.P.C. Ronald E. Fullerlove.

It was amended to correct the Constitution as follows: Article X Section 3 to Article I Section 17. Upon balloting the amendment passed. A second amendment was offered to add to section e) and no distribution shall be made from the grand Council until twelve months have elapsed. The motion to amend was Withdrawn. (M.P.C. Himes reminded the delegates they need to return to their respective jurisdictions and state the proposed New Constitution was defeated but a revised version would be forthcoming!)

M.I.C. Burluson moved that the Reports of Jurisprudence Committee, in total, are accepted. The motion was seconded and approved.

Recommendations:

1. The budget I have outlined is based on the increase in the per capita tax. This year's budget has some items increased that provide a benefit to the Grand Councils in the area of education and membership and some areas have been cut namely the triennial expenses. As mentioned in previous Finance committee reports the decrease in revenues and the increase in the budget deficits have not been caused by over spending or a lack of proper budgeting but by a decrease in membership. The incoming officers have shown the leadership necessary to begin the process of restoring financial

Forty-Third Triennial Assembly, Indianapolis IN

security to the General Grand Council by approving these budget adjustments.

2. The authorized Officers should reinvest the General Grand Council funds to receive maximum returns on the invested funds.
3. Because of the large loss in members over the past years in the General Grand Council, the leadership is interested in developing income producing programs that will not only provide the funds necessary to restore the budget items we have eliminated this term, but also to provide for a continuation of a balanced budget, to provide the funds necessary to provide services to the Constituent Grand Councils, and ultimately to provide the funds necessary to endow the General Grand Council for the future.
4. No specific plan is being recommended at this time, however your elected General Grand Council Officers need to be empowered to research and implement appropriate revenue enhancement programs. In every case, the General Grand Councils and the Constituent Grand Councils will not be at risk for such programs, but the individual members who wish to participate will ultimately generate income for the Cryptic Rite.

Respectfully submitted,

James C. McGee, Chairman
Stanley Morrill
J. B. Hitt

Companion McGee moved for the adoption of this report and that it be printed in the proceedings. Motion was seconded and passed.

Companion McGee, also, made a motion that, as outlined in the report, the General Grand Council Officers be empowered to research and implement such programs, to supplement the budget, as are safe and feasible. The motion was seconded and passed.

As of the end of the 43rd Triennial, the sale of that coin has raised just over \$66,000. Another coin is to be developed to raise additional funds for CMMRF.

Joe says, "Thinking back, we all realize no one can accomplish anything without assistance. My Masonic brothers and mentors have blessed and helped me with guidance over the years; and that is why I know TEAM is what works. My theme when I served as MIGM of NC was "Take a brother by the hand" and indeed I have had many brothers to take me by the hand in my Masonry."
